

HONORING THE EARTH

an EPiCenter Community Event

Let's join together in community and Honor the Earth
Saturday, April 25, 2009, \$15

5:30 – 7pm Potluck Supper and Raffle

7 – 9pm Ceremony *(please bring a simple item collected from nature that represents an element: earth, fire, water or air)*

For the past 29 years, April has been the time of year for celebrating the earth and renewing our commitment to working towards a safer, healthier and cleaner world. Now, more than ever, it is critical that we learn how to heal our earth. With meditation, chants and guided journeying, we will tap our inner wisdom for the personal tools necessary to help heal our planetary home. Come and discover how to honor, support and live in harmony with nature.

FEATURING Agneta Borstein, Astrologer & Shamanic Practitioner, and George Herrick, Life Coach and Shamanic Coach
